

Route guide from New Chitose Airport International Terminal to JR New Chitose Airport Station

Overall Map (2F)

It is very convenient to take a train to go to Sapporo City after arriving at the New Chitose Airport International Terminal. The Semi-Rapid Airport, Rapid Airport and Special Rapid Airport run between New Chitose Airport and Sapporo Stations. Confirm the route from the international terminal to the JR New Chitose Airport Station on the map below.

1 International Flight Terminal
Arrives at the Arrival Lobby on 2F.

2 Head down the 240 meter long Connecting Walkway to the Domestic Terminal.

3 Domestic Terminal
Proceed straight through.

4 You will see the Domestic Terminal Elevator after you pass the souvenir shops.

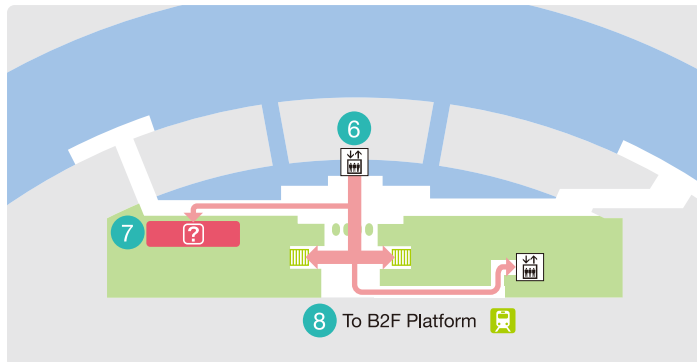

5 Get on the Elevator in the Domestic Terminal and go to B1F.

6 The JR Information Desk is located to the right of the elevator on B1F.
