Noboribetsu Onsen Winter Trip

Walk
About 15 min

Points of interest
1

Jigokudani

About 20 min per lap
The walkway is maintained
so it is easy to walk even
with snow!

Points of interest
2

Hot Spring Town

Popular photo spot

There are various demons in the town.
Try to find them!

Making a side step to footbath

The free natural footbath is comfortable!
The road on the way can be slippery
during snow season so please be careful.
And don't forget to bring a towel!

*It may be closed depending on the snow condition.
Check the availability at the tourist association in advance.

Popular photo spot

The red demon and blue demon
welcome you!

Popular photo spot

You may get to see the
heart-shaped steam
if you are lucky!

There are a lot of white
smoke coming out from
the myriad fumaroles
along the valley!

The end of the
walkway is located in the center
of Jigokudani. There is a geyser
called "Tessen-ike" here.
